## Forest Preschool

### Scholarship Application

We are committed, to the best of our ability, to making Forest Preschool accessible to all families, regardless of financial means. We are working very hard towards qualifying for Universal Pre-K funding (Act 166). Until we do, NBNC has limited scholarship funds ranging from \$100-\$2,000 available to assist with tuition.

Please attach a copy of your most recent tax return to this application and submit to Suzanne Eikenberry, Financial Manager.
