Name: _____

Address: _____

Telephone: _____

Email: _____

Feeder Watcher Instructions: Count the maximum number of each species that are visible at one time on the count day (December 17). So, for example, if you see a group of 3 chickadees in the morning and then a group of 5 chickadees in the afternoon, your total is 5 chickadees (not 8). Also, be sure to record personal information above and effort information below.

Start Time: _____ End Time: _____

TOTAL OBSERVATION TIME: _____

Weather: _____

Temperature: _____ Precip: _____
