Damages

Damage to NBNC property caused by the user, any contractor or employee of the user, or any person attending the event sponsored by the user, is the user's responsibility. Any damage, cleaning, or replacement costs resulting from the misuse of NBNC facilities, equipment, furniture or fixtures will be charged to the user. Any property left on NBNC premises shall be at your own risk and left only with prior permission.

Alcohol Policy

Alcohol is not permitted without prior approval from NBNC and a certificate of liability insurance listing NBNC as additional insured. With these in place, alcohol may be served but cannot be sold, unless the renting group provides NBNC with proof of the caterer's liquor license and liquor liability insurance. The Vermont Department of Liquor Control requires that all events on public property get an event permit to serve alcohol.

Parking

There are approximately 30 winter and 60 summer parking spaces available. At any time, some of those spaces may be used by NBNC staff, program participants or the general public. Generally, more parking is available in the evening.

Animals

Only service animals are permitted inside NBNC facilities. All pets must be on leash at all times on NBNC property, inside or outside.
